10th Anniversary of Pathway Home™

CBC COORDINATED BEHAVIORAL CARE

For 10 years, Pathway Home™ has partnered with thousands of New Yorkers with complex behavioral health needs ensuring that individuals thrive as they transition from inpatient settings to the community. Through intensive, mobile support, we reduce hospitalizations, increase outpatient engagement, and foster long-term stability.

Real Impact. Proven Results.

6,500+

Lives Transformed

74%

reduction in hospitalizations

69%

increase in outpatient engagement

5x

higher medical appointment attendance compared to NYS average

$41,296

per member in healthcare savings over 18 months

The CBC Hub

The CBC Hub drives system-wide impact by centralizing resources across multiple agencies, allowing Pathway Home™ teams to focus on direct care, crisis response, and long-term stability. By streamlining referrals, contracts, data analysis, and training, the Hub maximizes efficiency, reduces duplication, and scales solutions.

"Catholic Charities Neighborhood Services is honored to have delivered

Pathway Home™ services since the program began. Ten years later, the agency and staff continue to believe that this model of service is the best way to help some of the most vulnerable members of our community. We hope to continue doing this work for many more years to come."

David Rood-Ojalvo
Director of Care Coordination

Gytis

Sarah

"Pathway Home™ has been incredibly responsive and proactive, stepping up to support individuals with limited resources and helping them remain in the community while preventing future hospitalizations. Their dedication goes beyond coordination, clinicians personally accompany members through difficult transitions, providing stability and reassurance that make all the difference. This model truly works, transforming lives with hands-on, compassionate care."
