Peer Power in Action

Over 60 Peer Specialists are providing emotional support, education, and recovery navigation across boroughs. CASN's bi-weekly Peer Support Group and borough-based outreach build authentic connections where they matter most.

Unified Outreach and Prevention

- **Two evidence-based youth prevention programs** (SSET and Triple P) delivered across schools and communities
- Ongoing outreach with Treatment Courts, Street Health Outreach & Wellness (SHOW) Vans, and Safe Options Support teams
- Community events, training, distribution of Narcan and Fentanyl / Xylazine test

strips to keep NYC informed and prepared.

What Makes CASN Different?

- Integrated peer-led outreach
- Real-time response to emerging drug trends
- Trusted partnerships across medical, community, and criminal justice sectors
- Data-driven model enabled by SAMHSA SOR funding

Thank You to our CASN partners, staff, and community champions.

Stay connected. Be part of the solution.
